Liability Insurance Coverage

In order to begin field placement, the student must purchase liability insurance coverage. The minimum coverage to be purchased is the 1,000,000/3,000,000 option. The student must provide a copy of his/her certificate of coverage to the director of field placement verifying that the insurance is in place before the student can engage in any field activities.

Since the student also is required to join NASW, the professional organization for social workers, it likely is most cost effective for the student to purchase the liability insurance through the company contracted with NASW to provide such coverage. That company is:
